NEWSLETTER | MAR. 2021

CEO Message

Thank you for being “Amazing Members” of Greenwood Municipal FCU!! Our 2021 has started off with some great growth and we anticipate growth for the remainder of 2021. The Team and I appreciate your patience and understanding as we continue to work through the COVID-19 pandemic. The Credit Union is planning on having the Annual Meeting on May 25th. This will be a ticketed event you need to sign up for in advance as space will be limited due to CDC guidelines.

As your CEO, I will continue to communicate updates on the possibility of the lobby re-opening and when this might happen. No decision has been made yet but we will let you all know as soon as we have made the decision.

The Team continues to work together to provide you the best Member experience possible. We continue to offer Curb Side Service, Zoom Calls, Text Messaging, as well as appointments at our Durst location. The Team is committed to exceeding your expectation in all we do.

Our mission as your Credit Union is: “To radically impact the lives of our Members and the Communities we serve with Trust, Respect, and Unity!”

Wishing you all the Best,

Philip Heinlen

Fun Fact Spending Plan

What happens when you do something-anything-without a plan? Sure, being spontaneous is fun. But, what if you start driving without looking at the gas gauge? Or, you take two new video games to the checkout without looking in your wallet to see if you have enough money to pay for them?

You know the answer. That's exactly what a budget is about. It's about being able to afford your needs and meet your goals. So ask yourself these questions:

1. How much income do I have to pay for things?
2. How much am I actually spending?
3. What can I do if I don't have enough income to match my spending or meet my goals?

S.M.A.R.T. goals are Specific, Measurable, Attainable, Realistic, and Timely. Think S.M.A.R.T. for budgeting goals-and all your other goals, as well.
